

Overview: The Small Fruit Horticulture Lab at the University of Florida is recruiting a field technician at the Plant Science and Research Education Unit (PSREU) in Citra, FL. The position will be part-time (20 hours per week) at \$16/hour. The ideal candidate will be able to:

- Work outdoors in hot and humid weather conditions
- Harvest, lift, and move up to 25 lbs.
- Perform routine maintenance and harvest tasks in a blueberry field and greenhouse
- Follow instructions related to horticultural practices

No previous experience is needed, but candidates with background or interest in horticulture/agriculture are preferred.

Application Process: Please, contact Dylan Kovach (dckovach@ufl.edu) as soon as possible if you are interested in this opportunity. Please, include these documents in your email:

- A copy of your resume
- A summary of your work availability (schedule).
